See Special provisions - Page 2

See Matrix for calculations - Page 3

Special Provisions:

- Customer's bill shall be the "Minimum Bill" plus the number of "Units" times the "\$ per Unit".
- for a customer with multiple "User Types", only one "Minimum Bill" (the highest priced "User Type" existing in the facility) shall be paid plus the sum of the "Units" times the "\$ per Unit" for each "User Type" existing in the facility. Service charges are to be calculated on a basis of the burdens imposed on the District's collection and treatment facility. Where combinations of activities create waste, the charge will include each activity. See the example attached to this appendix.
- Customers that accept boat sewage from boats that are not long-term residents of the customer shall be subject to additional charges of \$25.00 per month.
- Retail businesses with commercial kitchens add \$64.41 for grease trap maintenance, unless a district approved grease trap is installed and maintained by the customer.
- Charges for "BOD" or "SS" content greater than "normal domestic sewage" will be billed at 93¢ per pound as determined by the District's engineer.
- In addition to the charges listed above, manufacturing facilities may be subject to charges determined on a case-by-case basis for each facility as covered in Article IV, Section 5 and Section 6 of this Ordinance. If it is determined that a manufacturing facility is producing effluent that cannot be treated by the District's facilities, the manufacturing facility shall treat the effluent to bring it into compliance with the District's requirements before the effluent can be discharged to the District's infrastructure.
- Security Deposit for new customer - two months bill.
- Reconnection Fee after interruption of service for failure to timely pay is \$100.
- Post-disconnect Service Deposit after any reconnection is the larger of two months bill or \$100 for a residence and \$200 for all other connections. This fee is held to be applied to any later delinquency.
- Credit to the provider of Electricity on Grinder Pumps - \$.75 per month per number of additional customers connected to grinder pump.
- Uniform contribution by all customers for plant/mains construction \$1,000 due at time of connection.
- Uniform line tap charge \$400 due at time of connection. Inspection fee is included in tap charge.
- A finance charge of 9% APR or ¾% per month will be assessed on all outstanding delinquent balances. Payments received after the 21st are considered late.
- A convenience fee of 3% of the monthly billing will be charged on all credit card payments.

Thereupon the matter of the rate resolution came on for consideration and discussion. The vice-chairman announced that the statutory hearings had been duly held as required by Section 250.233, RSMo following the required Public notice of at least 30 days, and comments of the public duly have been considered together with the obligations imposed by financing obligations.

The Vice-Chairman President introduced a resolution entitled as follows:

A RESOLUTION/ORDINANCE AMENDING THE RATES CHARGED FOR SEWERAGE SERVICE IN THE DISTRICT AFTER JUNE 1, 2022 AND RATIFYING AND APPROVING THE EXISTING RULES AND REGULATIONS REGULATING THE USE OF PUBLIC AND PRIVATE SEWERS AND DRAINS, PRIVATE SEWAGE DISPOSAL, THE INSTALLATION AND CONNECTION OF BUILDING SEWERS, AND THE DISCHARGE OF WATERS AND WASTES INTO THE PUBLIC SEWER SYSTEM(S); AND PROVIDING PENALTIES FOR VIOLATIONS THEREOF; IN THE GRAVOIS ARM SEWER DISTRICT OF MORGAN COUNTY, MISSOURI – UPDATE 06/16/2022.

On motion duly made and seconded for the adoption of said Resolution, said Resolution was considered and discussed, and the question was put to a roll call vote and the following votes were recorded:

Aye: Directors Rieke, Kincaid, & Gennetten

Nay: Taylor.

Thereupon, the President of the Board of Directors declared that the motion had carried and that said Resolution had been duly passed and said Resolution was then signed by the President of the Board of Directors and attested by the District Clerk.
